# 2020

# September

TO

# December

## VISION OF THE SCHOOL

Striving for excellence,  
striding towards success  
and seeking new horizons  
for personal growth and  
worth.

## MISSION STATEMENT

Each toddler walking  
through the gates of school  
of knowledge is viewed as  
a talent reserve and the  
school works relentlessly  
towards empowering each  
and every child.

# WORLD HEART DAY

World Heart Day is celebrated every year on 29<sup>th</sup> September to create awareness about cardiovascular diseases, their prevention and its global impact.

World heart day was celebrated at SOK. Assembly was conducted and students did various activities. Students became aware and understood that healthy heart leads to healthy life.

# INTERNATIONAL TEACHER'S DAY

"International Teachers Day provides the occasion to celebrate the teaching profession worldwide and draw attention to the voices of teachers.

ON 5<sup>TH</sup> October we celebrated World Teacher's Day. Assembly was conducted by the students and students thanked their teachers. They prepared lovely cards for their teachers to show their love and appreciation towards their teachers.

## BLENDED LEARNING

The blended learning approach is a mixture of e-learning and traditional learning which is increasingly being adopted by educational institutes. Blended learning brings together the best of both worlds - online study and face-to-face learning - helping students stay motivated and engaged

Nothing can stop learning. Students opted for blended learning. From October 2020 students were welcomed back to school. All safety measures were taken by school to prevent spread of covid-19. Students temperature was taken and they were completely sanitized before they entered the school premises.

# HEALTH AND NUTRITION WEEK

Oct 12<sup>th</sup> to Oct 15<sup>th</sup> we celebrated the health and Nutrition week.

12<sup>th</sup> Oct students were explained the importance of brushing teeth and DENTAL HYGIENE

13<sup>th</sup> Oct students were asked to make a collage for healthy and unhealthy food.

14<sup>th</sup> Oct students did activity on germs. Students were told the importance of keeping their hands clean.

15<sup>th</sup> Oct students were told the importance of eating health food. Students prepared fruit salad.

## UAE FLAG DAY

The Flag Day is celebrated every year to consolidate national identity and unity. The Colours in the UAE flag signify the Arab unity.

**Red** stands for bravery,

**Green** stands for hope and joy,

**White** stands for peace and

**Black** stands for destroy your enemies.

Assembly was conducted and students made a collage of the UAE flag.

## CHILDREN'S DAY

19<sup>th</sup> November we celebrated World children's day. The Theme was Disney characters. Students had to dress up according to their favourite Disney character.

Teachers conducted the assembly this time. All Grade1 /Year 2 teachers expressed their love and blessings for the students.

Different games were played and there was a walk of fame conducted. Lot of music and dance took place. Students enjoyed children day party.

## ASSEMBLIES

### WELCOME ASSEMBLY

The new session began on 1<sup>st</sup> Sept 2020. Welcome assembly was conducted. We continued with the online classes.

## HAT DAY ASSEMBLY

Hat Day was celebrated to give opportunity to all the students to show their skills and creativity. Students prepared different types of Hats with the material available at home.

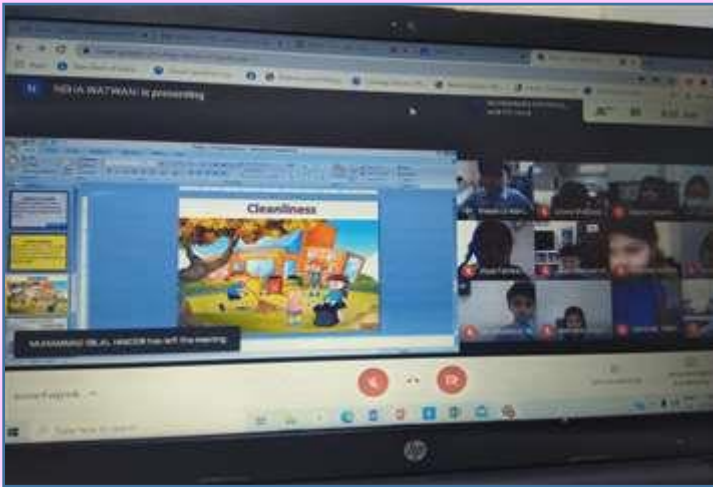

## ASSEMBLY ON READING

Reading helps us to gain more knowledge. It helps us to keep our mind young, healthy and sharp. Assembly on reading was conducted. Students were made aware of the importance of reading.

## ASSEMBLY ON CLEANLINESS

Assembly was conducted to explain to the students the importance of cleanliness.

Cleanliness keeps us healthy and happy. We should keep ourselves and our. Students were told to make use of dustbins.

## ARAB ENVIRONMENT DAY

Arab Environment Day, celebrated on October 14 each year, is a great opportunity to create awareness and to protect our environment.

# ANTI-BULLYING

November 17<sup>th</sup> and 18<sup>th</sup> was observed as Anti-Bullying week. Students were made aware of being good to everyone. An activity on a "A Wrinkled Heart" was conducted to show the importance of being good to everyone. Bad words and bad behavior hurt others. We should be kind to everyone.

## AWARENESS LESSON TO PREVENT COVID-19

Students were made aware of keeping themselves protected from being getting infected by the Covid-19. Importance of washing hands, using mask, keeping social distance etc. was emphasized.

## Parents Teacher Meeting

An online Parent-Teacher Meet was conducted on Thursday, 15th of October 2020 and Saturday, 17th of October 2020 to discuss Student's progress in learning and their participation during the classes.

## ONLINE AND CLASS ACTIVITIES

### ENGLISH

A lot of activities were conducted related to the relevant topics - Feelings, articles, pet animals, instructions to write how to make a fruit yogurt, expanded noun phrases, structured sentences etc. Student enjoyed and learnt very quickly through all these activities.

## ONLINE AND CLASS ACTIVITIES

## MATH

Students learnt through STEAM AND STEM ACTIVITY. Different activities were done to make the concepts clear. Students enthusiastically learnt and enjoyed the different concept taught to them through activities.

## ONLINE AND CLASS ACTIVITIES

## SCIENCE

Through the activities students learnt how energy flows from plants in a food chain. Posters on healthy food were prepared by the students. Students were assigned a Project where they had to plant a seed and observe its growth on a daily basis and make a note of it.

# SOCIAL STUDIES

Students learnt about community, society and about UAE. They became aware of the importance of rules and safety measures to be followed to live a happy life. They enjoyed learning about UAE culture, traditions and Heritage. Project on UAE Heritage was made by the students.

# MORAL EDUCATION

Students enjoyed different stories in moral education and each story carried a value with it which made students think. Most of the students like their moral education class as they learn something new. They learnt the difference between positive and negative feelings and emotions. The important people in their life their parents, extended family, friends how to share and care for them was taught in moral education class. Project "Fun with Family" was done where students along with their family members expressed their likes and dislikes.

School of Knowledge

# UAE NATIONAL DAY

UAE National Day was celebrated in the school. Assembly was conducted by Arabic Teachers. Students were asked to make a collage showing the different traditions of UAE. Students learnt a lot about the different traditions which is followed in UAE. Students expressed their love for UAE in the collage they created.

## Send your child to school ready to learn

A nutritious breakfast fuels up kids and gets them ready for the day. Kids also need the right amount of sleep to be alert and ready to learn.

## Know the disciplinary policies.

Follow the school expectations like dress codes, student behaviour, acceptable language etc.

## TIPS TO PARENTS

## Teach organizational skills.

When kids are organized, they can stay focused instead of spending time hunting things down and getting sidetracked.

## Take Attendance Seriously

It is important that kids attend the class on time every day, because having to catch up with the work can be stressful and
