Dear Parents,

As informed earlier we at SOK are pleased to open **admission for FS1**.

The criteria for admission is as follows:

- An informal meeting with the parents to assess the **child's readiness** to school.
- We will basically observe the **social skills** of the child- How he/she behaves when kept away from parents, and how they mingle with school staff and their peers.
- Basic skills like ability to **communicate, eye contact, playing with the toys provided** will be taken into consideration during this meeting.
- **Simple activities** like beading, sorting, puzzles and playing with the clay dough will be a part of this too.
- By September 2021 (before the children begins schooling) he/she must **be toilet trained**. The child will not be allowed to come to school with pampers.

We look forward to welcome you to SOK.
