## Message from the Chief Editor

Dear Readers,

Greetings!

I would like to welcome everyone back to school, and extend a special welcome to all of our new students and their families to SOK. The first newsletter for the Academic year 2022-23 “Remergence” aims to bring together “the wholeness in our school” and to impart quality education to our students. This newsletter captures the moments of our students journey in School of Knowledge as they remerge after their summer vacations.

This start of the Academic Year has been hectic at school with lots of prestigious events taking place to aim towards excellence through creativity and innovation. **HAPPY READING!!!**

## MESSAGE FROM THE DIRECTOR SR BOBINA.

Welcome to the volume one of our newsletter **"Pulse of SOK"** for this academic year 22-23.

On behalf of the Management of the St. Mary's Group of Schools I take this opportunity to welcome all and very particularly the new students and their beloved parents to SOK family.

A tiny seed that was sown in 1990 has grown and bloomed tall and borne fruits of excellence, simplicity, discipline, knowledge, wisdom, high performance, research and innovation. Glimpses and fruits of these were very visible in the exhibition held in May 2022.

The school works relentlessly to make students relevant, futuristic and life oriented. As I look back at the very successful year, I cannot help but beam with pride at the hard work and excellent teaching by the staff and the great efforts and learning by the students as well taking place every single day. Today, classrooms have turned into labs and rooms of research and innovation. Leadership qualities and talents are showcased in the school campus. The way for all students to live such an experience is through high-quality performance assessment. Also with an eye to the future, we continue to build and broaden the leadership capacity of our faculty as a whole team of St. Mary's Group of Schools with varieties of professional development sessions, sharing of best practices, ideas etc.

Kudos and Hats off to our dedicated teaching and non-teaching staff for their focus on the holistic development of the students. Education is not restricted to the four walls of the classroom but it is to view beyond the horizons in life without limits and limitations. The School of Knowledge believes in it and strives towards it relentlessly.

As we strive to educate our students in becoming lifelong learners, I thank you all dear parents for all your support and sincerely urge you to continue to encourage our children at home in their education and work in partnership with us to help our children develop their full potential. Thus we will be able to accomplish the theme of the year. **'Aiming at excellence through creativity and innovation'**. Let the little ones see the world with an Eagle's eye and broaden their vision. Let's all join our hands together to create a futuristic world. Thank you.

God Bless us all.

# FROM THE PRINCIPAL'S DESK

**Dear Parents, students and well-wishers,**

**With a lot of excitement in the air, on behalf of the staff and management of School of Knowledge, I welcome you all to the Academic year 2022-2023. With ray of hope, we started our exciting learning journey. We are proud of our school and the accomplishments of our students. The dynamic combination of our professional team of dedicated staff and parents ensured that all students achieve beyond their potential. We encourage all our students to become independent and creative thinkers. I take pride in the diversity of our school applying innovation in every aspect and also provide a climate of respect and acceptance for everyone as we try to enlighten our students with the wisdom to imbibe moral values and good discipline. We do offer a safe and secure environment in which every child is nurtured.**

**We are committed to the holistic development of a student; this includes academic knowledge, social skills, intellectual curiosity, physical endurance, self-discovery and special emphasis on socio-emotional well-being. We ensure that all of our students receive guided support that enables each individual student to be future ready, equipped with the tools to live fulfilling, resilient and successful lives, whilst also having a positive impact on those around them. We help our students to develop the skill of communication through compassion and empathy, with the intention to recognize the needs of others and respond accordingly.**

**The clear vision of the school, the systematic approach and implementation of the activities by the administration, commitment and dedication of the teaching and non-teaching staff, cooperation of parent community and the hard work of the students, together has branded our school as a centre of academic excellence. Let our journey continue towards "AIMING FOR EXCELLENCE".**

**May God bless us all!**

Strong leadership is the foundation of school success.

And without you that would not have been possible. Thank you Sr. Veronica, for inspiring our students to achieve their dreams every day.

**FARE THEE WELL...**

**DEAR  
SR. VERONICA**

Thanks for being such an inspiration. Your presence created an impact on every part of this school!

May God bless you and keep you in good health.

*Welcome*  
*Glad you're here!*

Welcome, Sr. Sarala !

It's a great pleasure, and honor to have an eligible person with such a good experience as our Vice -Principal, to monitor our school. We are a caring, vibrant community and we want you to feel a part of our team. We hope that with your energy, enthusiasm, focus on education and learning our institute achieves greater excellence.

Thank you so much for joining us, and wishing you, Best of luck!

“

A new school year means new beginnings, new adventures, new friendships, and new challenges. The slate is clean and anything can happen.”

# INDUCTION PROGRAM

On August 25th, 2022, a well planned "Readiness Program" was held at School of Knowledge. The main aim of the program was to provide a systematic structure of support for the new teachers. During the program, our respected Principal, Mrs. June Amanna shared valuable insights that not only supported the new recruits but also provided an opportunity to the senior teachers to reflect on their work to bring the learning community together as everyone strives to enhance the quality of education.

# ORIENTATION DAY

The foundation for a good parent teacher relationship is frequent and open communication, mutual respect and a clear understanding of what is best for an individual child.

In pursuit of the same, an Orientation programme was organized on 28th of August, 2022 for the parents of newly admitted students.

In this Orientation Programme the coordinator of the Primary section Ms Tasneem deliberated words of advice/suggestions by showing a comprehensive power point presentation to the parents.

The parents attended the program with great enthusiasm.
