

School Of Knowledge

St. Mary's Group of Schools

MISSION STATEMENT

Each toddler walking through the gates of School of Knowledge is viewed as a talent reserve and school works relentlessly towards empowering each and every child.

VISION OF THE SCHOOL

Striving for excellence, striding towards success and seeking new horizons for personal growth and worth.

The background features a dark blue field with several concentric circles in shades of blue and purple. Scattered throughout are spheres in orange, blue, and purple. Orange wavy lines, resembling ribbons, are positioned on the left and right sides of the image.

THEME OF THE YEAR 2022-2023

*Aiming for Excellence
through
Creativity and Innovation.*

Message from the Chief Editor

Dear Readers,

Greetings!

*I would like to welcome everyone back to school, and extend a special welcome to all of our new students and their families to SKK. The first newsletter for the Academic year 2022-23 “**Remergence**” aims to bring together “the wholeness in our school” and to impart quality education to our students.*

This newsletter captures the moments of our students journey in School of Knowledge as they remerge after their summer vacations.

This start of the Academic Year has been hectic at school with lots of prestigious events taking place to aim towards excellence through creativity and innovation.

HAPPY READING...

From the Director- Sr. Bobina Soares

Welcome to the volume one of our newsletter “Pulse of SOK” for this Academic year 22-23. On behalf of the Management of the St. Mary’s Group of Schools I take this opportunity to welcome all and very particularly the new students and their beloved parents to SOK family. A tiny seed that was sown in 1990 has grown and bloomed tall and borne fruits of excellence, simplicity, discipline, knowledge, wisdom, high performance, research and innovation. Glimpses and fruits of these were very visible in the exhibition held in May 2022.

The school works relentlessly to make students relevant, futuristic and life oriented. As I look back at the very successful year, I cannot help but beam with pride at the hard work and excellent teaching by the staff and the great efforts and learning by the students as well taking place every single day. Today, classrooms have turned into labs and rooms of research and innovation. Leadership qualities and talents are showcased in the school campus. The way for all students to live such an experience is through high-quality performance assessment. Also with an eye to the future, we continue to build and broaden the leadership capacity of our faculty as a whole team of St. Mary’s Group of Schools with varieties of professional development sessions, sharing of best practices, ideas etc. Kudos and Hats off to our dedicated teaching and non-teaching staff for their focus on the holistic development of the students. Education is not restricted to the four walls of the classroom but it is to view beyond the horizons in life without limits and limitations. The School of Knowledge believes in it and strives towards it relentlessly.

As we strive to educate our students in becoming lifelong learners, I thank you all dear parents for all your support and sincerely urge you to continue to encourage our children at home in their education and work in partnership with us to help our children develop their full potential. Thus we will be able to accomplish the theme of the year. ‘Aiming at excellence through creativity and innovation’. Let the little ones see the world with an Eagle’s eye and broaden their vision. Let’s all join our hands together to create a futuristic world.

Thank you.

God Bless us all.

FROM THE PRINCIPAL'S DESK

A clear vision, backed by definite plans, gives One a tremendous feeling of confidence and personal power -Brian Tracy

Dear Parents, students and well-wishers,

With a lot of excitement in the air, on behalf of the staff and management of School of Knowledge, I welcome you all to the Academic year 2022-2023. With ray of hope, we started our exciting learning journey. We are proud of our school and the accomplishments of our students. The dynamic combination of our professional team of dedicated staff and parents ensured that all students achieve beyond their potential. We encourage all our students to become independent and creative thinkers. I take pride in the diversity of our school applying innovation in every aspect and also provide a climate of respect and acceptance for everyone as we try to enlighten our students with the wisdom to imbibe moral values and good discipline. We do offer a safe and secure environment in which every child is nurtured.

We are committed to the holistic development of a student; this includes academic knowledge, social skills, intellectual curiosity, physical endurance, self-discovery and special emphasis on socio-emotional well-being. We ensure that all of our students receive guided support that enables each individual student to be future ready, equipped with the tools to live fulfilling, resilient and successful lives, whilst also having a positive impact on those around them. We help our students to develop the skill of communication through compassion and empathy, with the intention to recognize the needs of others and respond accordingly.

The clear vision of the school, the systematic approach and implementation of the activities by the administration, commitment and dedication of the teaching and non-teaching staff, cooperation of parent community and the hard work of the students, together has branded our school as a centre of academic excellence. Let our journey continue towards "AIMING FOR EXCELLENCE".

May God bless us all!

Strong leadership is the foundation of school success.

And without you that would not have been possible.

Thank you Sr. Veronica, for inspiring our students
to achieve their dreams every day.

Thanks for being such an inspiration. Your presence
created an impact on every part of this school!

May God bless you and
keep you in good health.

FARE THEE WELL... DEAR SR. VERONICA

Welcome, Sr. Sarala!

It's a great pleasure, and honor to have an eligible person with such a good experience as our Vice - Principal, to monitor our school.

We are a caring, vibrant community and we want you to feel a part of our team. We hope that with your energy, enthusiasm, focus on education and learning our institute achieves greater excellence.

Thank you so much for joining us, and wishing you,

Best of luck!

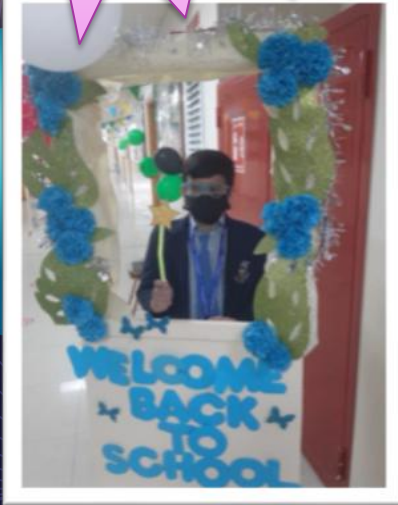

First Day of School

It was a delight to welcome all of our students back to school. The extensive preparation and planning put into making school re-opening safe and welcoming is an evidence to the care and commitment of all SOK staff. Our aim for the first day was to normalize the school day, have students to familiarize the school premises and reengage positive connections with other students and staff, all of which are essential for successful learning . The first day of school had been a success. It was wonderful to see our students back in school.

First day at
school

*First day
at school*

INDUCTION MEETING

*An induction meeting was conducted on
23-8-2022*

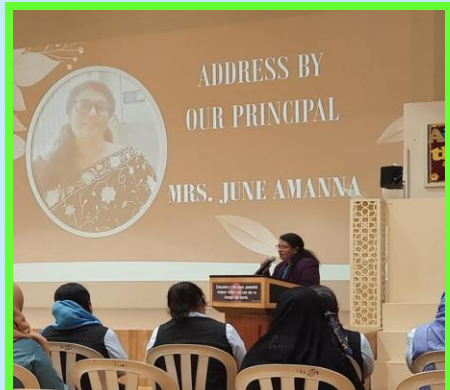

*by the Principal Ms June Amanna.
Roles, responsibilities and general instructions for
the staff that would benefit our students were
discussed during the meeting.*

*Valuable tips for how to be an effective teacher
were shared by our Principal.*

ORIENTATION DAY

The foundation for a good parent teacher relationship is frequent and open communication, mutual respect and a clear understanding of what is best for a student. In pursuit of the same, School of Knowledge had organized an Orientation Programme for the new admission students and parents to familiarize them with the curriculum and assessment pattern for the current Academic session on 28th August, 2022 .

The programme commenced with a warm welcome to the parents followed by words of wisdom by the Director Sr. Bobina Soares and Principal Mrs. June Amanna . Parents were addressed by showing a comprehensive Power Point Presentation by Headmistress Ms. Tasneem. It laid emphasis on the active involvement of parents in the upbringing of their wards and on active synergy among parents and teachers for the holistic development of the child. The programme ended with a question answer session in which the parents shared their doubts and queries.

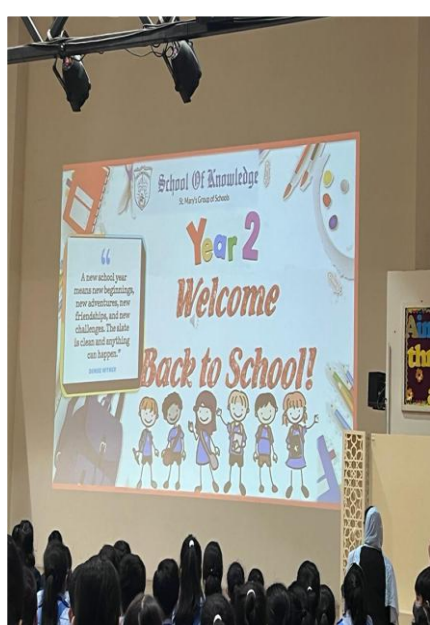

WELCOME ASSEMBLY

A welcome assembly was conducted on the **31st August, 2022** for students of Year 3 and 4. The theme of the Academic year was disclosed to students.

Our Principal Ms. June Amanna and Vice Principal Sr. Sarala Christi welcomed the children once again to school and also wished them a blessed year.

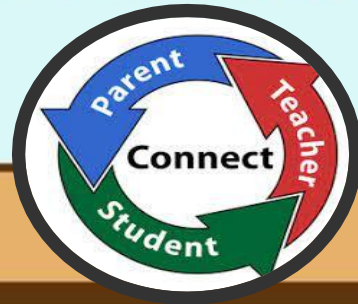

VIRTUAL INDUCTION MEETING

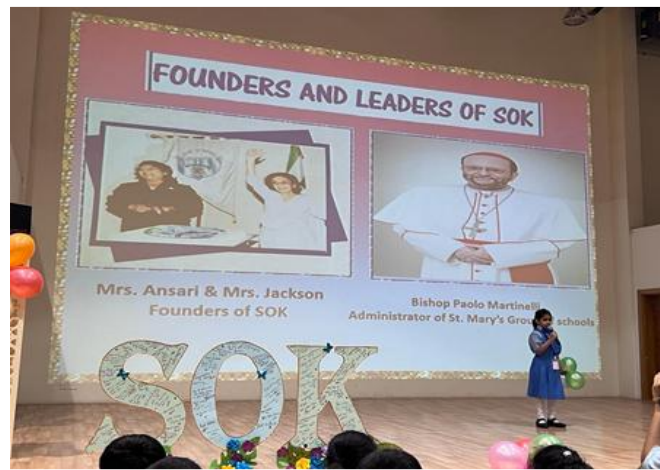

This special induction meeting was called on 3rd of September 2022.
The aim of this meeting was to provide parents with information and comprehensive advice to help make their child's enrolment and education at SOK as smooth as possible.

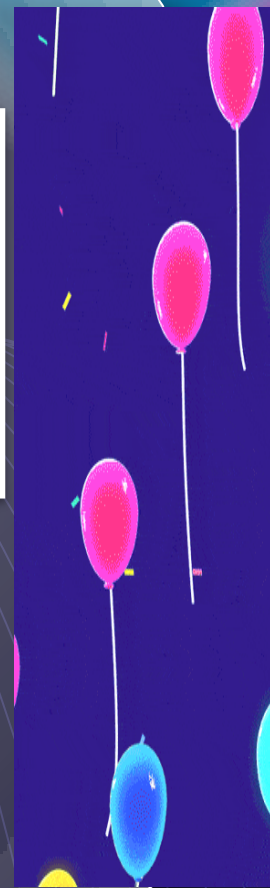

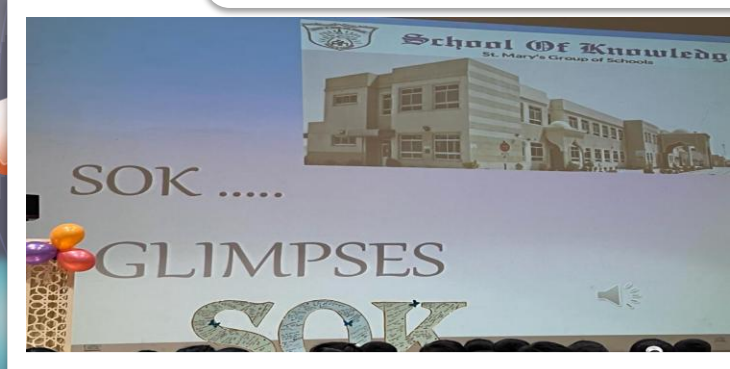

FOUNDATION DAY

On the completion of 32 glorious years, we at School of Knowledge had celebrated the Foundation Day on 8-9-2022. A special assembly was conducted in the auditorium.
