YEAR 2 - YEAR 4

DIRECTOR'S MESSAGE

Dear Students, Parents, and Staff,

As we reach the end of first term, I am filled with pride as I reflect on the incredible journey we've shared in this term. Our theme, "To Empower the Innovators for Tomorrow," has resonated deeply within our school community, driving every initiative, project, and lesson. As we align ourselves with the UAE 2031 Vision, we have committed to fostering creativity, resilience, and a forward-thinking mindset in our students, equipping them with the skills they need to thrive in an ever-evolving world.

Throughout the term, we have witnessed remarkable innovations and breakthroughs from our students—each a testament to the boundless potential that lies within each of them. From engaging in STEM projects, sports meet, Scouts and Guides camp and club activities that have redefined what's possible, to art installations that challenge perceptions and push boundaries, our innovators have showcased their talents and creativity in inspiring ways.

We are honored to provide an environment that nurtures curiosity and experimentation. By placing a strong emphasis on collaboration and critical thinking, we have empowered our students to not only dream but also to create and innovate solutions for the challenges of tomorrow. Our partnerships with local organizations and businesses have further enriched their learning experiences, allowing them to engage with real-world issues and explore potential career paths as they work towards their futures.

As we look ahead, I encourage each of you to continue embracing the spirit of innovation that our school has fostered this year. Let us all remain committed to the UAE's vision for 2031, where we not only prepare ourselves for the future but also contribute meaningfully to the progression of our society and the world at large.

Thank you for your ongoing support and dedication. Together, we will continue to cultivate a community that empowers every learner to become an innovator, a leader, and a change maker.

Wishing you all a restful and rejuvenating break ahead, filled with inspiration and creativity.

*Warm regards
Sr. Bobina Soares

Embracing challenges, celebrating successes, and reaching significant milestones in academics, personal growth, and extracurricular pursuits, our students have created a vibrant and dynamic learning environment. Their dedication and resilience are commendable as they explored new horizons and overcame challenges with determination. From engaging classroom activities and thought-provoking projects to inspiring assemblies, club initiatives, competitions, charity drives, inter-house sports events, and special celebrations, each experience has contributed to their holistic development. These activities have aligned seamlessly with our theme, *"Empowering Innovators for Tomorrow,"* fostering creativity, critical thinking, and leadership skills essential for future innovators.

To our staff, thank you for being the heart of our school. Your dedication, creativity, and care inspire our students every day. You are not only shaping young minds but also nurturing the values and skills that will guide them throughout their lives. To our parents, thank you for your support and partnership.
