TERM 2

DIRECTOR'S MESSAGE

Dear Students, Parents, and Staff,

As we conclude the second term, I want to take a moment to reflect on the incredible progress and achievements we have witnessed over the past months. This term has been marked by academic milestones, extracurricular accomplishments, personal growth, and the grand culmination of our Annual Programme - 'EXHIBITION'. Under the theme "Innovate to Elevate: Building the Future Together," our students showcased their exceptional talents and skills, demonstrating creativity, innovation, and confidence in their performances.

The dedication and hard work of our school staff played a crucial role in bringing this event to life, seamlessly blending education with entertainment. Their efforts ensured a vibrant and enriching experience for all, making the programme a resounding success. Our parents, too, played a vital role, guiding their children in their innovations and supporting them in their projects. Their active involvement not only contributed to the event's success but also reflected their deep commitment to their children's education.

*Another major highlight of the term was **Sports Day**—the most eagerly awaited event by our students. It was a day filled with energy, enthusiasm, and a spirit of healthy competition. The excitement of being on the field, free from their academic routine, brought immense joy to all. Students displayed their athletic skills, teamwork, and determination, making the event a truly memorable one.*

I extend my sincere gratitude to our dedicated teachers and staff for their unwavering commitment to excellence, and to our parents for their continuous support and partnership in our students' education. Most importantly, I commend our students for their hard work, resilience, and enthusiasm in all aspects of school life.

As we step into the break, I encourage everyone to take this time to recharge, reflect, and prepare for the final term. Let us return with renewed energy and determination to make the rest of the academic year even more successful.

Wishing you all a restful and enjoyable break!

Sr. Bobina Soares

Director

From Principal's Desk

Dear Students ,Parents and Staff ,

"Every end is a new beginning; embrace the journey ahead with hope and determination." I take immense pride in celebrating the successes of our students, recognizing the dedication of our teachers, and appreciating the steadfast support of our SOK family. This term has been filled with numerous achievements, both academic and extracurricular. Our students have demonstrated exceptional growth, and we've seen them shine in various competitions, activities, and co-curricular events that fostered teamwork, confidence, and solidarity.

A key highlight was the School Exhibition, which was a resounding success. Under the theme *"Innovate to Elevate: Building the Future Together,"* our students showcased their creativity, critical thinking, and problem-solving skills through outstanding projects. Their innovative ideas reflected their curiosity and passion for learning, making us all proud.

This embodies the essence of Carol Dweck's words: *"Becoming is better than being. The fixed mindset does not allow people the luxury of becoming. They have to already be."* At SOK, we continuously create an environment where students are empowered to transform their potential into achievement, nurturing them as innovators for tomorrow.

As we move forward, I urge our students to embrace every challenge with a mindset of growth, as each day presents a new opportunity to learn, grow, and push beyond limits. Just like the Exhibition demonstrated, setbacks are simply stepping stones to greater success, and the journey of becoming is filled with continuous learning and transformation. As we step into Term 3, I encourage our students to carry forward their enthusiasm and dedication. I also extend my heartfelt gratitude to our parents for their invaluable partnership in shaping their children's journey. Your unwavering support plays a crucial role in our shared mission of excellence.

Together, let us continue to make the rest of the year shine with curiosity, compassion, and resilience. Wishing you all a restful Spring Break and a Ramadan filled with peace, joy, and abundant blessings.

Thank you and God Bless!

**Ms. June Amanna
Principal**

VICE PRINCIPAL'S MESSAGE

Dear Parents, Students, and Staff,

As Term 2 concludes, I extend my gratitude to our dedicated teachers, hardworking students, and supportive parents. This term was filled with academic achievements, innovative learning, and enriching extracurricular activities.

*A key highlight was our **Exhibition: 'Innovate to Elevate - Building the Future Together'**, where students displayed creativity, problem-solving skills, and groundbreaking ideas. Their innovative projects reflected our commitment to fostering future-ready learners.*

Looking ahead to Term 3, we anticipate more student-led innovations and exciting challenges. Thank you for your unwavering support in making our school a thriving hub of learning and growth.

Best regards

Sr. Sarala Christi

Vice Principal

FROM THE EDITORIAL BOARD

Term 2 has been a remarkable journey filled with excitement, learning, and unforgettable moments. Our exhibition was a resounding success, made possible by the dedication of our incredible students, supportive parents, committed teachers, and the encouragement of our management. It was a true showcase of talent, creativity, and hard work.

In this edition, we bring you glimpses of the exhibition day, capturing the enthusiasm and efforts that made it so special.

Additionally, our successful picnic day created cherished memories for our students, making it yet another highlight of the term.

We deeply appreciate your unwavering support and partnership. Thank you for being a part of this incredible journey with us!

"Let Your Handwriting Speak – Year 1 Competes with Care!"

The Year 1 handwriting competition was held on December 5th, providing students with an opportunity to showcase their writing skills. The event encouraged creativity and attention to detail, fostering a love for writing. Students eagerly participated, demonstrating their progress and dedication to improving their handwriting.

FS1, FS2, and Year 1

explored

“**TRAILBLAZERS OF INNOVATION IN THE UAE:**

Land, Water, and

Space.” The students’

showcased creativity through immersive exhibits, interactive games, and engaging presentations.

Thematic rooms highlighted the UAE’s progress, with students confidently explaining their projects.

A unique feedback system and lively attractions, including a talent show and food stalls, added to the excitement. The event received high praise for its innovation and inspiring displays.

Rediscovery of ideas, innovations and sustainability through projects.

EXHIBITION 2025

What an incredible event!

Our Exhibition held on the 1st of February 2025, was a grand success, leaving everyone amazed by the creativity, innovation, and talent on display! From breathtaking art and craft exhibits to mind-blowing science experiments, our students truly showcased their passion for learning.

It was a blessing to have His Excellency Bishop Paolo Martinelli as our chief guest.

Among the Guests of Honour were Ms Lynn Stanbridge and Fr Savarimuthu OFM Cap.

It was indeed a day filled with engaging exhibits, live performances and interactive activities.

EXHIBITION 2025

FS 2

LEGOLAND PICNIC

06.2.2025

SOK organized a picnic on Thursday, February 6th, 2025, for FS2 students to Legoland Dubai. The students had a fantastic day, filled with fun rides, interactive activities, and exciting experiences designed just for their age group. Throughout the day, they enjoyed various attractions and adventures in the park. The package also included lunch and snacks, making it a fun and memorable day for everyone.

"Picnic: Where learning meets laughter and memories blossom under the sun."

Year 1- Exploring LEGOLAND: Where Creativity Meets Adventure 06.02.25

Year 1 students had an exciting and fun-filled day at LEGOLAND on 6th February 2025! The children were thrilled to explore the amazing Lego creations, enjoy the rides, and participate in interactive activities. Laughter and joy filled the air as they spent quality time with their friends, creating wonderful memories together. It was a delightful day out, full of adventure, learning, and lots of smiles!

Let's explore, play, and make unforgettable memories together!

One of the best experiences was a submarine ride. An underwater world, so bright and fun
LEGOLAND's submarine ride is number one!

FS1 ANNUAL SPORTS MEET 18/02/25

Clown Munchies Race

On Tuesday, 18th February, 2025 Sports Day was marked at the School of Knowledge. FS1 students made the event exciting and thrilling with their mesmerizing performances with excited drill and races. Each race was filled with joy, enthusiasm, and unforgettable moments, making the day truly special.

Twirl and Spin Race

Baton Blazer Race

"We love because it's the only true adventure."

"Victory is in the effort, not just the outcome."

Musical Chairs Game

"Don't stop when you're tired, stop when you're done."

Tiny Troops Drill

learning is
NOT
a spectator
sport.
so let's
PLAY!

"Dream big, work hard, stay focused."

FS2- ANNUAL SPORTS DAY 18/02/25

The FS2 Annual Sports Day, held on February 18, 2025, was a day filled with energy, teamwork, and fun! School leaders, teachers, parents, and students came together to celebrate the spirit of collaboration through exciting activities and friendly competition.

Surah

Welcome speech

Drill 1: Tambourine Rhythm Run

Drill 2- Pom Pom Parade

Race-The Endless Loop Race

Race -Cap the Cone

PRIZE DISTRIBUTION

Winning isn't everything, but wanting to win is.

YEAR1- ANNUAL SPORTS DAY

The Year 1 Annual Sports Day, held on February 18, 2025, was a lively event filled with fun, teamwork, and excitement. Students enjoyed various races and games, while the parents' race added extra cheer and energy. It was a wonderful day of celebration, sportsmanship, and community spirit!

Fantastic Music Mash

Shake Rattle & Play with Joy

Moments of Glory

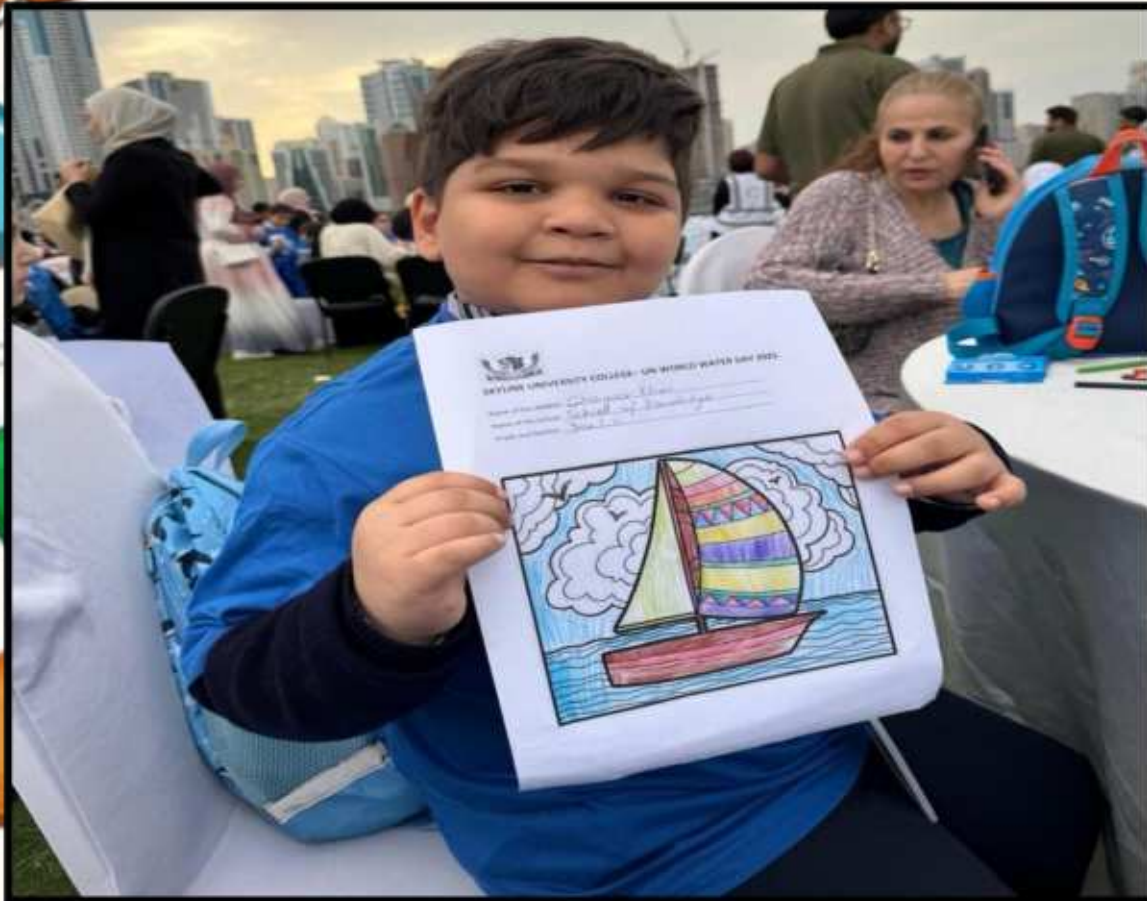

In the game of life, effort is the real trophy.

WORLD WATER DAY YEAR-1

Water gives life, colours give joy – mix them beautifully.

In celebration of World Water Day, on February 26, Year 1 students participated in a drawing and colouring contest held in Al Mazaj Park Sharjah. The competition was open to all children who wish and to showcase their skills via drawing and colouring.

FS2 – CLAY MODELLING COMPETITION (06/03/2025)

A Day of Creativity & Fun!

The School of Knowledge hosted a fun Clay Modelling Competition for FS2 students, showcasing their creativity and talent. Each section presented unique and outstanding clay masterpieces, making the event a true celebration of imagination. It was a fun, hands-on learning experience where students explored their artistic skills while enjoying the process. Congratulations to all the little sculptors for their fantastic efforts!

Little Artists, Big Creations

YEAR1-BEST OUT OF WASTE ACTIVITY

06.03.25

“From Waste to Wow: Crafting Magic with Recyclables!”

On 6th March, a "Best Out of Waste" activity was organized for the YEAR1 students, where they creatively transformed everyday waste materials into useful and decorative items. Students crafted pencil holders, coin boxes, paper plate caps, masks, wall hangings, and more.

This activity aimed to instil the values of recycling and reusing, while also nurturing the children's creativity and fine motor skills.

WORLD WATER DAY – 22.3.25

"Conserve water, Conserve life."

World Water Day was celebrated in schools to raise awareness about the importance of water conservation. Students did water drop activity. It encouraged students to take small steps toward preserving this precious resource for future generations.

"Water is Life – Let's Use It Right!"

Year 1 celebrated World Water Day by learning why **water is important** and how we can **save water** in our daily lives. Through stories and fun activities, they discovered simple ways to be **Water Heroes**, like turning off taps and fixing leaks. It was a great way to help them understand the value of water and the need to protect it!

Protectors
in Action!

FS2 Celebrates Eid with Love and Laughter!

FS2 students laugh and play
Colouring cards in a joyful
way,
Eid is near, watch us glow,
Happiness will always grow!
With love and joy,
our hearts unite,
A day of peace,
so warm and bright!

Year1- Spreading Joy and Festive Cheer – Eid Mubarak and Happy Holidays!

Eid Card Activity & Holiday Wishes – Year 1

On the last day of Term 2, our Year 1 students enjoyed a fun and creative **Eid card-making activity**. They expressed their joy and good wishes by designing beautiful cards to celebrate the upcoming **Eid festival**. It was a lovely way to end the term on a festive note!

We wish all our students and families a **Happy Eid** and a **joyful holiday**. May this break be filled with happiness, rest, and special moments with loved ones. See you all refreshed and ready for Term 3!

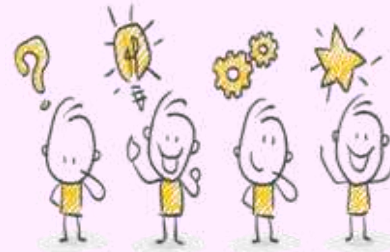

Little Innovators in Action

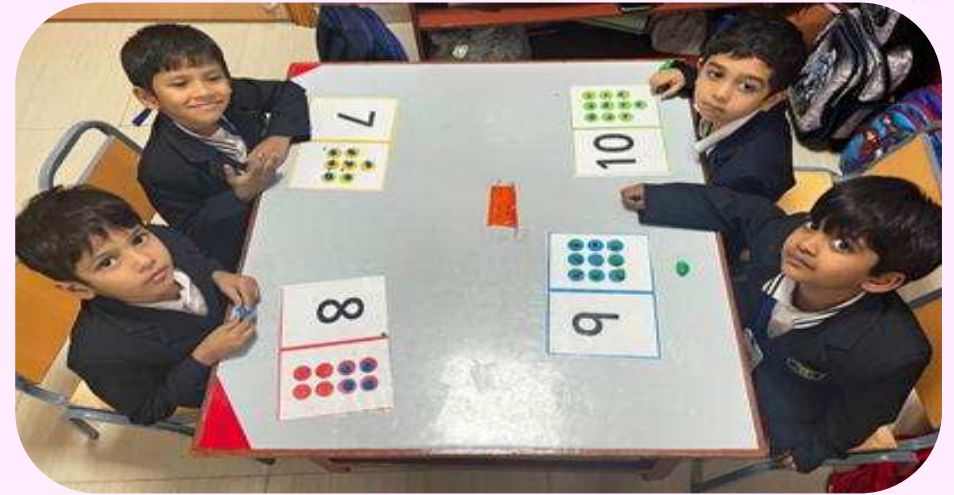

FS1 students explored creativity and critical thinking through a fun and engaging hands-on activity. Learning through play, they discovered new ideas and solutions, making every moment a step toward innovation.

Phonics made fun, interactive, and engaging for all.

Number Fun: Learning Through Play

Learning is best when it's hands-on and fun

Innovation starts with a curious mind

Little Innovators Exploring Creativity through play

Exploration leads to innovation

Play, learn, innovate

Hands-On Phonics

FS2 INNOVATIVE ACTIVITIES

Activities that make learning fun and meaningful. Through these activities children explore with hands-on experiments and create challenges.

Sensory play stations help develop fine motor skills and curiosity

Story-based and language activities encourages development and confidence.

Playful number adventures, building and learning fun nurture creativity and collaboration, making every learning experience exciting and engaging for our young learners.

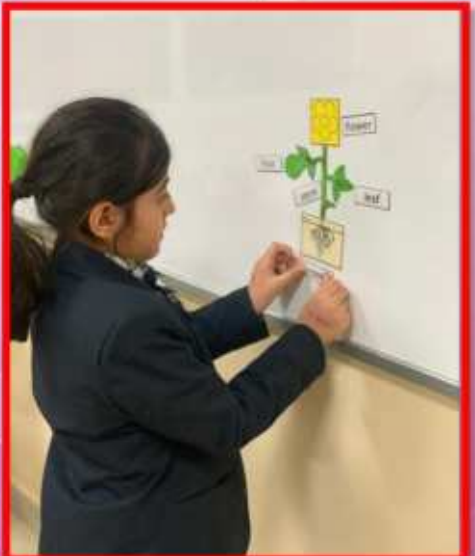

YEAR1 INNOVATIVE ACTIVITIES

"Together We Learn, Grow, and Inspire!"

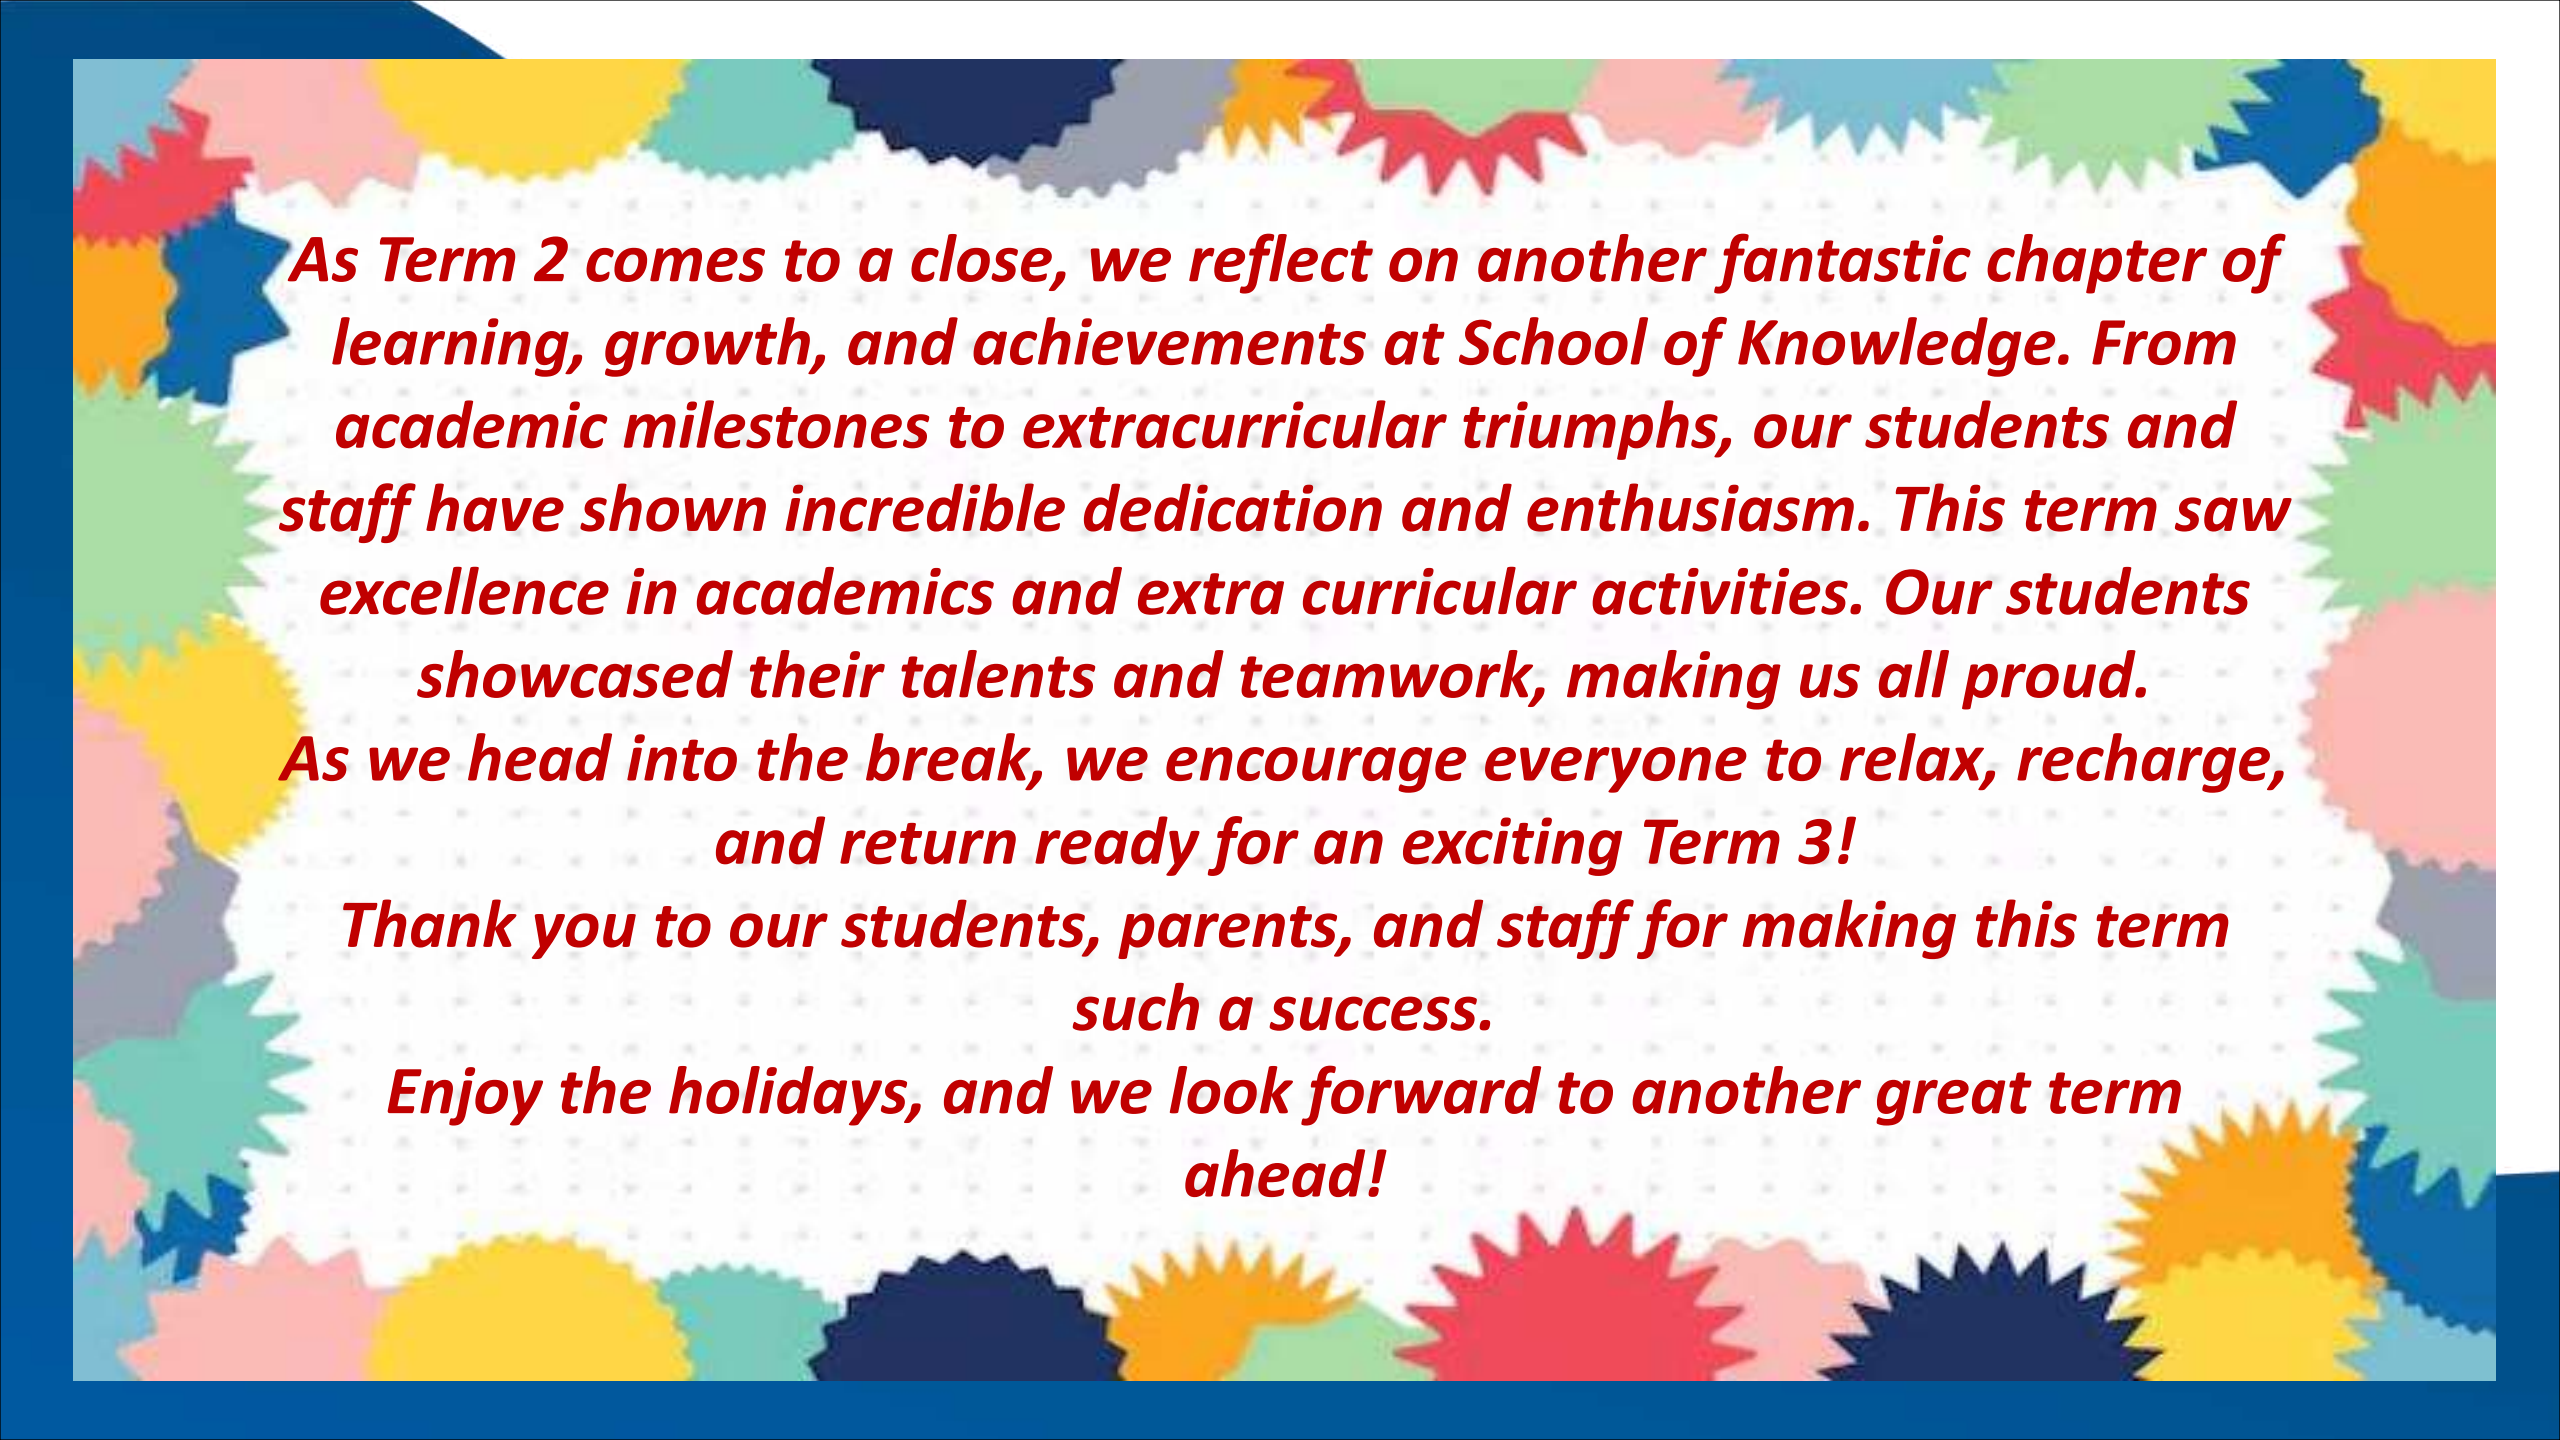

Bright colours, smart minds – learning sequencing in English!

Innovative hands at work – peanuts transformed into scenic beauty!

Dream Catchers of Joy – Our Little Ones Made This!

Rooted in Fun, Growing with Knowledge – Exploring Parts of Plants the Creative Way!

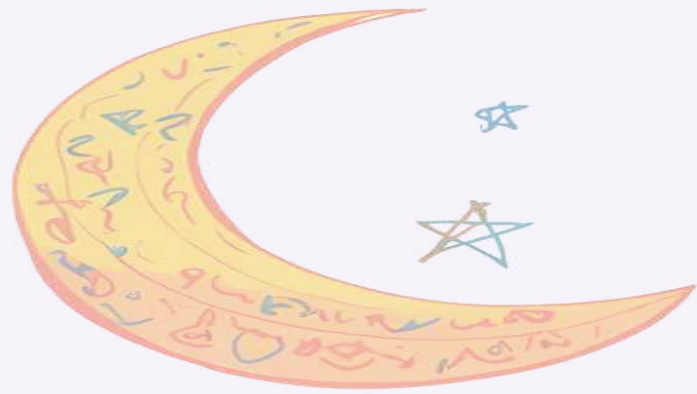

As Term 2 comes to a close, we reflect on another fantastic chapter of learning, growth, and achievements at School of Knowledge. From academic milestones to extracurricular triumphs, our students and staff have shown incredible dedication and enthusiasm. This term saw excellence in academics and extra curricular activities. Our students showcased their talents and teamwork, making us all proud.

As we head into the break, we encourage everyone to relax, recharge, and return ready for an exciting Term 3!

Thank you to our students, parents, and staff for making this term such a success.

Enjoy the holidays, and we look forward to another great term ahead!

Eid
Mubarak

**THANK
YOU**
